

# CAM DISPLAYS

## CAM Desktop Horizontal Display Setup Instructions

Graphics

Hardware

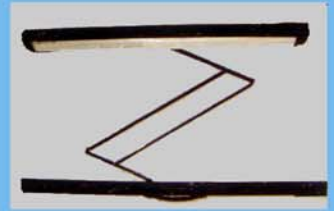

Visible graphics size=  
38" wide x 33.25" tall

Total banner size=  
41" wide x 33.25" tall

When printing your graphics, leave .5" on the left side and 2.5" on the right side for attachment to the stand.

1. Open the case

2. Extend on a flat surface

3. Stick one edge of the graphic to the adhesive tape. Be careful to place it straight.

4. Push the other edge between the silver clamp bar and the black frame. Push the clamp bar down until it snaps into place.

5. Remove the locking pin.

6. Snap down the bottom feet, and expand to locking position.
