

PromoCounter 2; PCF-2

Thick corrugated plastic unrolls to create a strong, durable, easy-to-store promotional counter. Hook and Loop system is pre-mounted on the plastic. Molded resin counter top, great for temporary, spot promotions. Makes a strong impact with less than 20 pounds. The corrugated plastic front is smooth/matte and holds graphics that have a wrap-around width of 64" and 33.5" height. Counter top and bottom base have 2 finish options. Comes in a large black nylon canvas bag with straps, and a deluxe tube case.
